

Introducing your new pay portal

Powered by

Welcome

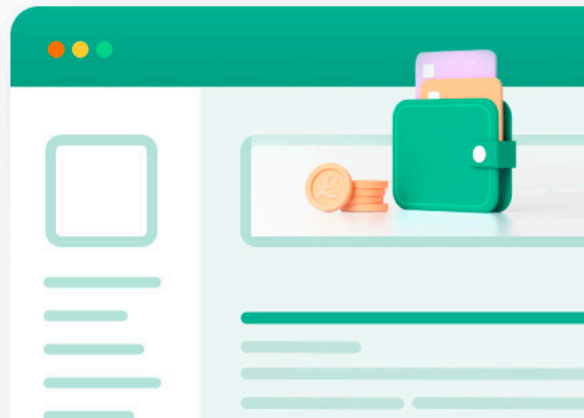

Your company has moved their payroll into the cloud, which comes with some benefits for you too.

You now have your own secure pay portal that is unique to you and it stays active even if you leave your company – it's yours forever.

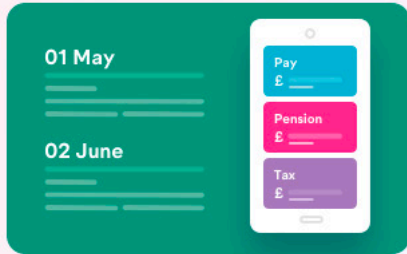

You can access your payslips and all other pay related documents such as P60s and P45s online and if you have an active workplace pension, you can access your pension information online too.

Your new pay portal is easy to use and has been designed to help you understand your pay and answer any questions that you may have about your pay and tax.

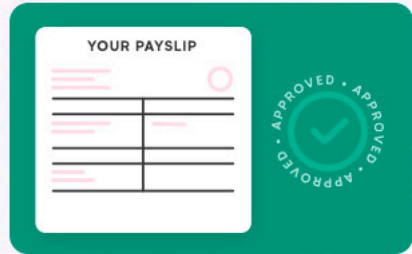

Look out for your email to register that's on its way and should be in your inbox shortly!

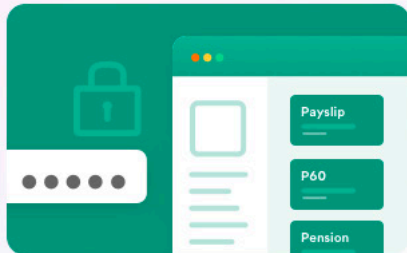

Benefits of your new pay portal

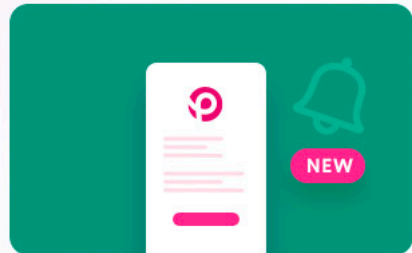

View your payslips online
In the cloud, any time and from any device.

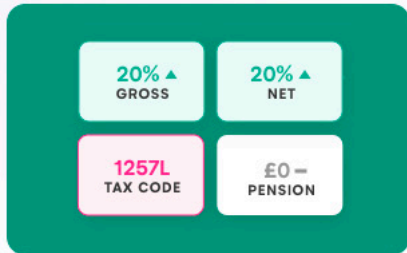

Download your payslips
In a format accepted for mortgage applications and loan agreements.

Store all of your pay documents securely – for as long as you want.

Get email notifications when you have new documents to view.

Get more clarity around your pay and tax calculations with online tips and tools.

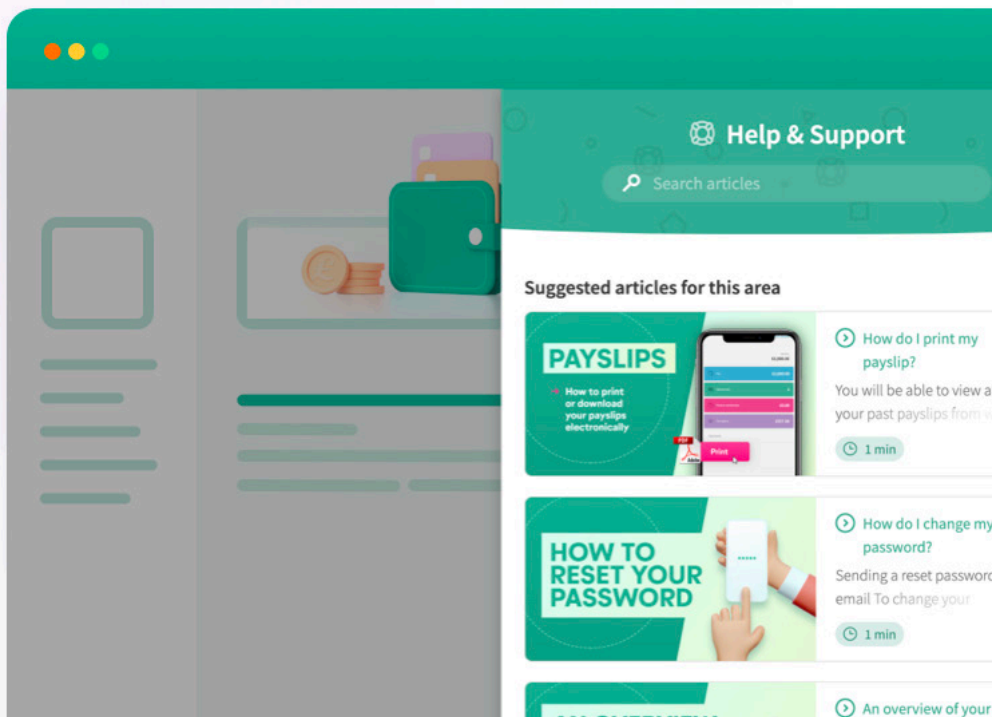

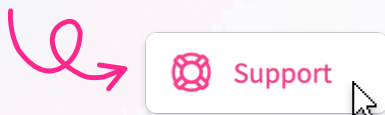

Help and support at the touch of a button

Intuitive and interactive help and support guides are available directly inside the app.

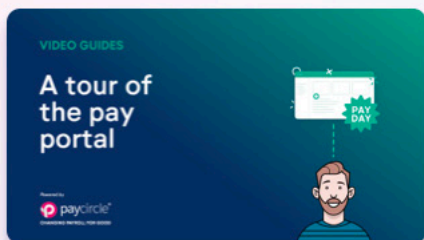

Your pay portal has a packed library of articles, videos and tutorials always just one click away.

Look out for the **support icon** on every page.

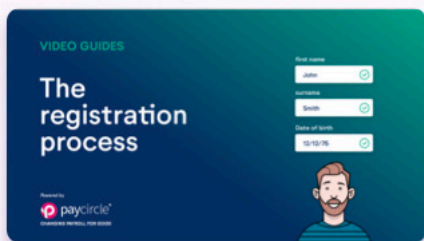

Take a look around

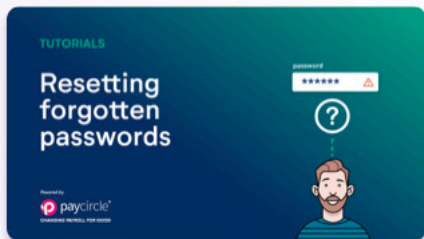

Here's a selection of short video guides to help you familiarise yourself with your new pay portal experience.

What our users say...

“ I love how easy it is to view my payslip on my mobile and how much more information it gives me ”

“ The pay portal made my mortgage application so much easier! Gone are the days of me having to remember where I stored my paper payslips ”

“ After I'd left my company I was still able to login to my portal with my personal email and access all my old documents and pay information ”
